

I invite you in this coming year to form a prayer triplet, to meet with two other Christians once a week for 30min or an agreed set time. This is a wonderful prayer strategy from Brian Mills, which we are expanding. Three people coming together to pray about three things each.

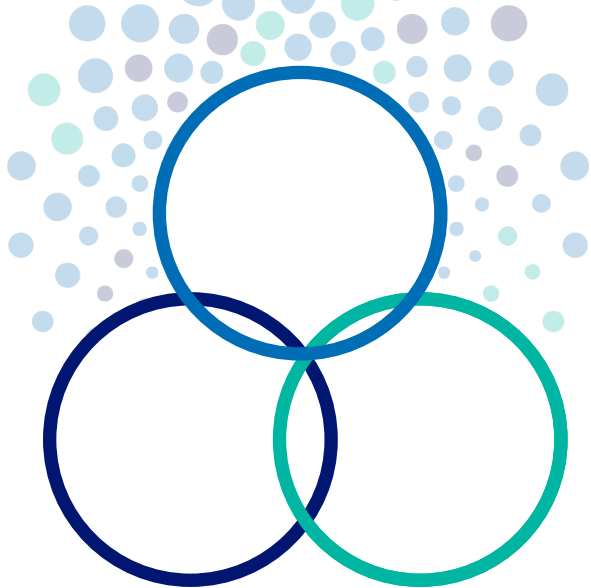

It is important to keep it simple and sustainable.

Week 1: The gospel for every person.

We invite you to pray for three people who do not yet know the Lord. Each member of the prayer triplet will have a list of three names and so you will pray for nine people in your set time.

If you want to think bigger you might pray for three peoples groups yet to hear the gospel of our Lord Jesus Christ's death and resurrection. You could use resources like the Joshua Project to select these people groups.
