Prayer Guide

Raising up Leaders

Discipleship

Unreached Peoples

Reached peoples

The prayer prompts in this session are centered on Raising up leaders, discipleship, unreached peoples and reached peoples.

We invite you to use these themes to guide your prayer time. They follow a sequence which will see you begin praying for yourself, and then move out in concentric circles to your family and friends, then your church, community, nation, and finally the world.

We hope that this is a meaningful time between you and the Lord. Thank you for partnering with the global church in prayer.

Personal Reflection (2 Cor 12:9)

Father, give me your heart. Let your strength be evident in my weakness as I proclaim the Gospel.

Family and Close Relationships (Deut 4:9)

Teach me how to be a leader in my family and to those closest to me, that I may lead them to you in everything I say and do.

Church and Immediate Community (1 Cor 14:1-2)

Equip the local church with evangelists, teachers, visionaries, and leaders for the spread of the gospel.

Broader Community and Institutions (Acts 1:8)

Open up institutions for your church to grow in that environment. Remove any barriers to proclaiming faith at work.

Nation and Governing Bodies (Daniel 2:21)

Lord, raise up leaders in our governments who long for the Gospel to govern our nation.

Global Perspective and Worldwide Impact (Acts 4:31)

As global leaders prepare to meet together in Incheon, prepare their hearts to be emboldened together so that a mighty army may go out into the world for Gospel advancement.

Personal Reflection (1 Cor 3:18)

Thank you for the church you have placed around me. Help me to disciple those around me, and be a humble disciple too.

Family and Close Relationships (3 John 1:4)

Give me the wisdom and compassion needed to disciple my family so that we, in turn, can create disciples around us.

Church and Immediate Community (Acts 6:7)

Help your church to grow rapidly as we disciple our congregations to evangelise and plant churches.

Broader Community and Institutions (Rom 12:4-5)

Bring together the right people for the Fourth Lausanne Gathering to have an impact on institutions around the world.

Nation and Governing Bodies (2 Chron 7:14)

Protect our nation from internal strife and external threats, that we may live in peace and security, free to worship and proclaim the Gospel openly.

Global Perspective and Worldwide Impact (Matt 28:19)

Unite your Church worldwide in its mission to make disciples of all nations, transcending cultural, ethnic, and denominational barriers, that together we may advance your kingdom to the ends of the earth.
